### **CMIC Group Adopts Veeva “Vault Clinical Suite”**

Unify clinical operations and data management with a single platform

Tokyo- July 31, 2019 – CMIC HOLDINGS Co., Ltd., Japan’s first and largest clinical CRO, announced today CMIC will adopt Veeva “Vault Clinical Suite” by Veeva, one of the world’s most innovative cloud software companies. Veeva “Vault Clinical Suite” is an integrated clinical trial management platform for the CMIC Group’s global operations. “Vault CTMS and SSU (Study Startup)” is a cloud-based integrated system for clinical trial information and processes that has accumulated development and operation experiences worldwide. The application can be installed in short time and it supports further improvement in the quality and efficiency of clinical trial operations. Based on CMIC’s growing global clients’ needs, CMIC decided to adopt the application that can be used at CMIC’s global locations. In addition, the “Vault CTMS and SSU (Study Startup)” will enable seamlessly information and documents sharing with “Vault eTMF”, which is already implemented in operation at CMIC.

“Veeva’s leading-edge cloud solution is a system enabled to collaborate with overseas offices which CMIC is focusing on its business. We expect to achieve a streamlined trial management by real-time sharing of clinical trial status and integrated management of the process.” said Toru Fujieda, President of CMIC

Co., Ltd. “We will continue to provide integrated solutions to our clients worldwide and help bridging their needs between the east and the west.”

### **About CMIC Group**

CMIC Group started business in 1992 as the first CRO in Japan, and the company today provides comprehensive support services for the development, manufacturing, sales, and marketing of pharmaceutical products. Also, the company operates to respond to diversifying needs by managing the Healthcare Business sector and developing and selling diagnostic pharmaceuticals and orphan drugs. CMIC Group has developed a unique business model called Pharmaceutical Value Creator (PVC) based on its abundant accumulated experience and knowledge as a CRO pioneer. CMIC utilizes the PVC to create new value in the healthcare field.
